

VoteWA Advisory Board

Effective September, 2021

The VoteWA Advisory Board replaces all existing VoteWA committees (Super Users, Data Governance, etc.). The board serves as a liaison between the County Auditors and the Office of the Secretary of State on the functionality and usability of VoteWA. They guide the technical evolution of VoteWA, generating recommendations and roadmaps.

The Board (15 total members) consists of representatives from County Election Offices and the Secretary of State's Office. Counties appoint 13 representatives and the Secretary of State's Office appoints two representatives to the Board that will serve a two-year term, with appointments being made in December. The terms shall be staggered and there are no term limits. The Board is led by two co-chairs; one chair is a representative from the Secretary of State's Office and one chair is a representative from a county.
