PROFESSIONAL DEVELOPMENT

EXHAUSTION TO RESILIENCE

From shifting work responsibilities to back-to-back Zoom meetings to juggling kids' schedules ... all with increasingly blurry boundaries between home and work. Too many of us are tired! Improving resilience in the workplace gives organizations the capacity to deal with stress while building adaptability to change. In this workshop, we will explore resilience—why it leads to improved well-being and ways to build more of it in your own life.

THE DETAILS

Meeting location: Pasco Red Lion

Fee to attend: \$75

Last day to register:
Friday, September 16

REGISTER AT
www.wsaca.org

ARVIN MOSLEY JR, LEADERSHIP CONSULTANT

Arvin Mosley Jr is a leadership consultant and performance coach for The Leneker Team and is the head girls basketball coach at Emerald Ridge HS. Arvin is also a former college head coach and spent 14 years working in higher education as a student affairs professional. As a certified mental performance coach and trained professional/executive coach, Arvin has a proven track record of helping organizations and their teams improve their ability to respond to adversity, challenge, pressure, and success.

This training is part of the WSACA Licensing and Recording Conference. Registration is required for attendance. Non-members of WSACA may register. Please note that this is an in-person ONLY event, and space is limited.
